MEMBER OF THE STATE ASSEMBLY, 68TH DISTRICT

AL SNOOK

AGE: 68

OCCUPATION: Small Businessman

I want this position! In November 2001, when I took the oath as a candidate, I understood the challenges to give 100% to the 68th Assembly District. So many times incumbents lose touch of the concerns of the communities they represent. They leave their constituents feeling disenfranchised.

I am a small businessman who's served the everyday people who live in the 68th District for the past 37 years. I have gotten to know and do business with all of the many people who make up the various cultures and concerns that comprise our community. I have always worked to represent the voters, the middle class and the working class. My first duty, as your representative in the State Capitol, would be to invest in our communities and us. Affordable housing is a must requirement and health insurance should be affordable and available to everyone. We need affordable prescriptions for seniors.

Being a taxpayer like everyone, I am committed to accountability and ensuring education dollars are spent wisely. Tomorrow's America will depend upon excellence in all of our schools. California is ranked 5th as the world's largest economy and schools should rank just as high in student achievement.

As a Korean War Veteran I understand the importance of honest democracy. I am deeply committed to working for you and in the communities of the 68th Assembly District. Your vote for me will send a powerful message — "Working together for success."

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

JOHN ADAMS

AGE: 50

OCCUPATION: Civil Attorney

In the unprecedented write-in campaign for this judicial office, I was the voter's top choice. Thanks Orange County.

I'm also law enforcement's choice. I'll be a tough, fair, no-nonsense judge who supports Law and Order, Victim's Rights, Three Strikes, and the Death Penalty. I'm honored to be endorsed by Sheriff Mike Carona and District Attorney Tony Rackauckus.

I'm an experienced attorney, graduate of Stanford Law School and Superior Court Judge Pro Tem. With maturity, skills and the judicial temperament to make sound decisions, I'll work long hours for taxpayers to see that justice is done.

I'm also endorsed by:

Congressmen Cox, Issa, Rohrabacher and Royce.
State Senators Ackerman, Johnson and Morrow.
Assembly Members Bates, Campbell, Daucher and Maddox.
Supervisors Silva, Smith, Spitzer and Wilson.
Mayors and City Council Members.

Anaheim Police Officers Association, Latino Peace Officers Association,
Orange County Professional Fire Fighters Association.
Conservative Women's Leadership Association,
COPE (AFL-CIO Unions)

I also have extensive business experience. I've founded companies, created jobs and met payrolls. I'll bring wisdom and judgment from "real world" experience in both law and business to every decision I make.

I'm a community leader, husband, father and church member. I'd be honored to receive your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 21**

GAY SANDOVAL

AGE: 50

OCCUPATION: Former Deputy District Attorney

As a Deputy District Attorney for 10 years, I held the hands of molested children and walked them to the witness stand. I assured them that the judge and I would protect them as they testified about how they were victimized. I prosecuted felonies and misdemeanors, child molesters and abusers, and put criminals behind bars.

I started the write-in campaign for Office No. 21, so that there would be no automatic re-election without a name even appearing on the primary ballot.

I have 12 years experience as a lawyer who represents small business owners and as a Judge Pro-Tem. After 22 years as a trial lawyer, I know the courts and the law.

I teach Drug and Alcohol Awareness at Orange Coast College. I was a PTA President, coach, newspaper columnist and raised Guide Dogs. Joe and I have been married 29 years. I grew up in Orange County and we have raised our children here. Maggie attends Stanford and Celinda graduates from high school soon.

The Association of Orange County Deputy District Attorneys, police associations, police chiefs, and judges support me. For endorsements and more about my background, go to www.SandovalforJudge.com.

Vote for Gay Sandoval for your family's sake.

KELLY ANN MACEACHERN

OCCUPATION: Deputy District Attorney, Orange County

Tough - Fair - Supported by Law Enforcement.

For 21 years I've protected our community as a Deputy District Attorney. I've prosecuted hundreds of serious felonies including rape, child molestation, family violence, drugs and gang terrorism. I'm proud of taking violent criminals off the streets, sending them to prison, and being named the association of Orange County Deputy District Attorneys "Outstanding Prosecutor" panel.

Crime victims, police chiefs, cops on the street, elected officials, news media, Republicans and Democrats are behind my candidacy.

Over 75 superior court judges and commissioners urge you to vote for me because they know I'll be a tough, fair, ethical, no-nonsense judge.

My endorsements include:

Former Governor George Deukmejian
District Attorney Tony Rackauckas
Sheriff Lee Baca
The Los Angeles Times
Congresswoman Loretta Sanchez
Congressmen Ed Royce, Dana Rohrabacher
Senators Joe Dunn, Ross Johnson, Dick Ackerman, Bill Morrow, John Lewis (ret.)
Assemblymembers Patricia Bates, Lynn Daucher, Ken Maddox, Tom Harman, John Campbell

Frank Barbaro, Chair, Orange County Democratic Party
Supervisors Todd Spitzer, Tom Wilson, Cynthia Coad, and Chris Norby
Central Labor Council (AFL-CIO Labor Unions)
Santa Ana Police Chief Paul Walters
Costa Mesa Police Chief Dave Snowden
Irvine Police Chief Charles Brobeck (ret.)
California Organization of Police and Sheriffs (COPS)
Cypress Police Officers Association
Latino Peace Officers Association
Citizens for Law and Order
Citizens against Violent Crime

The 6,000 member Orange County Bar Association, which evaluates judicial candidates, publicly recognized my qualifications to serve as a Superior Court Judge. The Los Angeles Times endorses me and states She would be fair and impartial. We strongly support her election.

My positions are straightforward: Three Strikes for serious and violent criminals; enforcement of the death penalty, long prison sentences for rapists and child molesters, treatment for drug users but prison for drug dealers, protect Victims' Rights, and give the taxpayers a full day's work every single day.

I grew up in Southern California and graduated from UCLA. I've been married 23 years and live with my husband and children in Orange County where I volunteer with my church, AYSO, Lions Club, PTA and Little League. I'm a Board Member of the National Council on Alcoholism and Drug Dependency, and strongly support community alcohol/drug treatment programs.

The safety of our neighborhoods and schools is my highest priority. Please allow me to continue serving you by electing me as your Superior Court judge.

Thank you.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 22**

VICKIE ANN BRIDGMAN

AGE: 47

OCCUPATION: Deputy District Attorney

Dear Voter,

I came in first in the March primary with 46.6% of the vote because the people of Orange County know that I will be a fair judge, committed to upholding the law and protecting our communities. Judge Donald MacIntyre, a great jurist and combat decorated Vietnam Veteran, endorsed me to fill this judgeship upon his retirement for these reasons.

As a Deputy District Attorney I have earned the support of law enforcement and community leaders, such as our nationally respected Sheriff Mike Carona; Chris Kralick, President of the Orange County Attorneys Association, and Vice President of the California Prosecutors Association; Pete Pierce and Carol Henson, leaders in the Association of Orange County Deputy District Attorneys; and numerous police, firefighters, judges, and elected officials.

I have been through the court system twice as a victim. As a child, I experienced the horror of being molested. As a mother, my heart was broken when a careless driver killed my precious son. I am a leader in the Compassionate Friends, an organization that assists families that have lost children. Victims' rights crusader and "Three Strikes" author, Mike Reynolds, former State Senator, Marian Bergeson, author of the "One Strike" law for violent sexual offenders, and Crime Victims United of California endorse me because I strongly support and understand victims' rights issues. I support the death penalty.

My community activities include serving as President of two Bar Associations, Mothers Against Drunk Driving, the March of Dimes, the Society to Prevent Blindness, and President of Drive S.A.F.E., a non-profit organization that sponsors safe driving assemblies in high schools. My work with the Automobile Club of Southern California helped enact the graduated drivers license program resulting in a 40% drop in deaths and injuries among teenagers from car crashes in California.

My working class parents instilled in me a strong work ethic, American values and good citizenship. I worked to put myself through Cal State Fullerton. I attended law school on a scholarship, graduating as Valedictorian and first in a class of over 300.

I have a strong record of protecting our neighborhoods. My prosecutions include gang members, drug peddlers, rapists and robbers. I am currently among a select few deputies assigned to prosecute white-collar crime cases.

I have worked, worshipped and raised my family in Orange County. I will be a hardworking, ethical and commonsense judge. I respectfully request your vote.

**JUDGE OF THE SUPERIOR COURT
OFFICE NO. 27**

GLENDA SANDERS

OCCUPATION: Trial Attorney/Law Professor

Why should you vote for me?

Not just because Sheriff Mike Carona, District Attorney Tony Rackauckas, and the Orange County Professional Firefighters endorse me.

Not just because the Orange County Bar Association has given me its top rating of "Highly Qualified."

Not just because Judge Robert Monarch has retired from this Office No. 27 and has endorsed me as his successor, or because dozens of other judges, including Assistant Presiding Judge David McEachen, Judge Nho Trong Nguyen, and Judge Stuart Waldrip (Ret.), are united behind my candidacy.

Not just because the L.A. Times concluded in March that "... Sanders is the most impressive candidate seeking a seat on the Superior Court Bench in Orange County this election and should be an outstanding judge."

Not just because you have already supported me with the highest number of votes in the March primary.

Not just because I have both criminal and civil experience, having practiced as a trial attorney, a Special Assistant Deputy District Attorney in Orange County, and as a partner in the Orange County office of Latham & Watkins, a nationally recognized law firm. During my 20 year legal career, my cases have included capital homicides, kidnappings, gang-related cases, family law disputes and complex civil disputes.

Or because I am involved in our community, having served on the boards of charities like Human Options, which helps those affected by domestic violence, and Girls' Inc., which promotes healthy after-school activities among teenage girls.

Or because I have taught law at Chapman University Law School, where President Jim Doti and Law School Dean, Parham Williams, endorse my candidacy.

Ultimately I believe I deserve your vote because, as a committed member of this community and the mother of two children, the proper enforcement of our laws and the safety of our neighborhoods are paramount concerns for me. I support the Three Strikes Law and the death penalty in appropriate cases. I have spent hundreds of hours providing free legal advice to victims of fraud, and I fully support Victims' Rights.

In addition to those above, my endorsements include:

United States Representatives Christopher Cox, Loretta Sanchez and Ed Royce; State Senators Dick Ackerman, Lou Correa, Joe Dunn, and Ross Johnson; Assemblymembers Pat Bates, Bill Campbell, John Campbell and Ken Maddox.

With your vote I will work diligently to support law and order for you and your family.

PUBLIC ADMINISTRATOR

JOHN S. WILLIAMS

AGE: 51

OCCUPATION: Law Enforcement, Administrator, Trustee, South O.C. Comm. College District/Businessman

I believe the Public Administrator's office must fight to enact stronger safeguards protecting the public, especially Senior citizens.

The Public Administrator should be an advocate for all persons in Probate.

Traditionally, the Public Administrator and Public Guardian have been one person. This combination can help prevent in Orange County the abuses occurring in Riverside County where a conservator, her attorney and the judge hearing the cases stole millions from defenseless Senior Citizens under their care.

If elected Public Administrator, I'll support the 2001 Orange County Grand Jury recommendations for criminal background checks on all potential conservators.

I'm the only candidate for Public Administrator endorsed by Sheriff Mike Carona and the Peace Officers Research Association of California (PORAC).

I'm a 20+ year career police officer/law enforcement administrator – administered safety/security – Santa Ana Courthouse.

My concern is for public risk when anyone, without qualifications, training, accountability can be appointed court conservator gaining control over private bank accounts/property/assets of the elderly, infirm, disabled.

In addition to my law career, I'm a 3-term community college trustee/board president, elected by voters (1992, 1996, 2000) to oversee 2 college campuses, 2,000 employees, 35,000 students, \$150 million budget.

As a college trustee, I've served on the Orange County Legislative Task Force and California Commission on Legislation and Finance.

I earned a Master's Degree in Public Administration – Pepperdine University.

Endorsements include Police/Fire Associations from; Anaheim, Brea, Costa Mesa, Cypress, Fullerton, Garden Grove, Huntington Beach, Irvine, Laguna Beach, Newport Beach Police, Fire, Marine Safety, Orange, Placentia, Santa Ana, Seal Beach, University Police, Westminster, Orange County Fire Authority, Probation, Sheriff Special Officers.

Additionally, elected/community leaders support me, including; United States Congressmen Ed Royce, Dana Rohrabacher, Senators Bill Morrow, Dick Ackerman, Ross Johnson, Assembly members; Patricia Bates, Bill Campbell, John Campbell; Orange County Supervisors Chris Norby and Jim Silva; Coast Community College Board President Armando Ruiz, USC Football Legend Anthony Davis, California Women's Leadership Association, Seniors and Veterans for Education.

I live in Mission Viejo with my wife of 31 years, a teacher, two children. We attend Saddleback Church. I grew up in a family of 7 children and over 200 foster children.

I have the experience and qualifications listed above to reform our Public Administrator's office, support Grand Jury recommendations and fight for tough legislation. With the support of Senator Bill Morrow, I will protect citizens' rights and assets.

As the Assistant Public Administrator, I have the career experience and knowledge to serve as Public Administrator.

My qualifications include the knowledge and experience of three years as Assistant Public Administrator, a Bachelors degree from California State University, Sacramento, and a Masters degree in Public Administration from University of Southern California.

My responsibilities include managing a professional staff that protect the property of those who die in Orange County with no family or will. We also locate relatives, arrange burials, pay bills, and perform other services consistent with the wishes of the dead.

I am committed to prudent management of your tax dollars, complete and accurate record keeping, protection of privacy and confidential data for the individuals and families served, and the highest level of honesty and integrity.

My endorsements include the current Public Administrator, the Association of Orange County Deputy Sheriffs, many City Council members, three Orange County Supervisors, and the Orange County Auditor.

DONNA MILLER

OCCUPATION: Incumbent

As a NOCCCD Board member for six years and a community college educator for almost 30 years, I am committed to the success of California's community colleges.

A married resident of Buena Park for 24 years, my daughter attended public schools and community college. I have served the District as Board President, Vice-President, and Secretary. In addition, I am on the Cypress College Foundation Board, have been District representative to the Orange County Legislative Task Force and served as signatory on the recent successful bond drive.

During my term as Board member, the District has maintained fiscal stability, increased services to Anaheim residents by establishing a new Anaheim campus, and created a Teacher Preparation Program with CSU, Long Beach to address California's growing teacher shortage.

A recent study predicts that computers, globalization and community colleges will be the major factors shaping shared prosperity for Californians. We must continue providing quality retraining for workers, increase our transfer rate and maintain excellence while continuing to be fiscally responsible.

Community colleges are my professional life. My ongoing goal as a Board member is to provide continuing visionary leadership to our District and community.

As a parent I believe it is important to be involved in education. As a businessman I understand the importance of education in preparing people to compete for jobs in the global economy. As a conservative and a taxpayer I am against wasteful government spending and am determined to deliver the maximum amount of our tax dollars to the classroom.

I will ensure that our community colleges fulfill their primary mission: sending students onto four year universities, training for technical vocations, and providing continuing education so our citizens remain competitive in the workplace. I will use my nineteen years experience as a successful businessman to allocate our resources effectively so our students will receive the best education possible.

My career includes:

National and state awards for commitment to Child Nutrition;

1998 "Small Businessperson of the Year" award from the U.S. Small Business Administration - Los Angeles Region.

My education includes a B. A. in Economics from U.C. San Diego, Spanish language, and a M. B. A. in International Finance from USC.

AGE: 48

OCCUPATION: O.C. Business Owner, Parent, Board Member
AUHSD, Trustee for N.O.C.R.O.P.

As a member of your Governing Board I have worked hard to achieve our goals of improving school facilities, setting higher academic standards, maintaining our “zero tolerance” policy towards drugs and gang violence and expanding our arts programs.

I voted in favor of measures to expand and improve schools including upgraded technological equipment so students will be better prepared for the workforce. I also voted for a resolution to establish higher reading standards for middle school entrance; unwaveringly enforced our zero tolerance and campus safety policies and formed partnerships with community arts programs to give our students the opportunity to display their talents in professional settings.

I am currently working on enhancing and expanding student sports programs and offering more extracurricular activities. I believe that parental involvement is the key to student success and am committed to finding new ways to involve parents. As your representative, I will continue to support our teachers and staff; ensure student safety; be available to discuss your questions and concerns while making every effort possible to assure Anaheim is the best district in Orange County.

In order to continue to serve you I respectfully ask you for your vote.

As a school board member, I helped our children succeed and learn. I managed a multi-million dollar budget, and made sure the money was spent on students, not wasted on bureaucracy.

As a parent, I am dedicated to improving our community for all students. As your Trustee, I will address your concerns and support:

High Academic Standards: reading, writing, and arithmetic
Local Control: return power to parents, not bureaucrats
Accountability: academic and fiscal accountability for students, teachers, and administrators

I will work to improve the academic curriculum of our schools, make sure our children have a safe school environment, and the very best after school programs.

Because of my accomplishments in education, I am endorsed by elected officials, parents, and community members; and earned the following awards:

AMIN DAVID

OCCUPATION: Business Owner

School Board Members have one job: to provide safe schools and quality education for our children. I am determined to make this happen.

Here's how:

First, keep our schools safe and hold Harald Martin accountable. He wants reelection as the “Police Officer” Trustee, while drug/alcohol crime rate increased each of the last four years.

According to California Safe Schools Assessment 2000-2001, weapons possession has been up every year since 1999.

Second, raise test score performance: According to the California Department of Education, our grades 7-11 students score below county averages in both Math and Reading.

Third, keep students in school. Dropout rates for every grade in the district are unacceptably high.

Fourth, end political favoritism. It is wrong for friends to appoint friends to elective offices. Three of the current five board members were selected, not elected.

A war veteran married to a teacher, I have lived in Anaheim 32 years, built a successful business, mentored students and served innumerable commissions and boards.

Another step for better schools: I back Proposition 47.

My track record of listening to those who care about children and families? This is my 25th year holding informal weekly conversations to do just that.

OCCUPATION: Incumbent/Electrician

As an appointed Trustee of the School Board of AUHSD, I bring high expectations for high achievements and long lasting positive academic growth for our students.

I support:

Excellence in education by setting high expectations and a strong curriculum.

Improving student progress through planning, organizing, collaboration of staff, students, parents and community.

Preparing students for colleges, universities, trade and vocational schools and careers.

Accomplishments:

General Obligation Bond Election Team, Measure Z.
AUHSD Instructional Materials Review Committee, and Athletic Council
Oxford Academy Foundation, School Site Council, PTSA Second Vice President.

As a past General Foreman/Electrician, I have overseen multi-million dollar budgets, as an USAF Vietnam Veteran, and as an actively involved parent of two high school students in AUHSD and married to an educator of 20 years, I want to help all students to succeed.

I believe in helping students learn to succeed in education, helping support programs to prepare students for future success, safe campuses, expand existing programs for all students, and encouraging parents to get involved with their students. We need compassion and understanding for our students to learn to become respectful citizens through a culture of caring.

Please vote, Dennis T. Doi.

FRANK G. COZZA JR.

OCCUPATION: Restaurant Owner

My primary motivation for running for A.U.H.S Board is to insure that all children are afforded the best education possible. I share in the community's concern for our children's welfare and want to actively participate in the process of building a safe and productive environment for them.

In order to achieve the highest quality of education, we must retain enthusiastic and well educated teachers. In harmony with this, we must also be willing to educate the families so that the lines of communication are in constant balance.

As a school district, we must hold ourselves accountable to impartial evaluation. Test scores must improve with each testing. As a school board, we must take complete and unwavering responsibility for improvement of the scores.

I favor the acceleration of after school programs of all sorts. Our primary goal is to build well rounded citizens, free to pursue healthy and challenging interests. Through public and private partnerships these programs can become available for all our children.

Finally, we must prepare for the eminent swell in enrollment that our schools are currently experiencing. Our capacity is already exhausted and it is of the utmost necessity that decisions be made on this issue now.

ANTHONY MARMADUKE "TONY" CLARK

AGE: 52

OCCUPATION: Businessman

My name is Tony Clark. I am qualified and ready to serve as a member of the governing board for the AUHSD.

I have been very much a part of our community since 1950.

I attended and graduated from Anaheim High (1969) and California State Fullerton (BA 1974).

I have actively participated in many community, civic, and service organizations for 30 years.

I am a fiscal conservative. While I believe that our goal should be better schools I reject the notion that higher taxes and a "world class facility" will necessarily produce a class of high achievers.

In the last election, I authored the ballot argument in opposition to Proposition Z (school bonds). The proponents of Z, aka "\$132 million dollar tax", convinced many that millions were needed, fearing our schools would become like those in a "third world country", a terribly distorted view. I believe that voters have been misled by those who would rather tax and spend.

Experience tells me that less should be spent on administration and more resources allocated toward the classroom and its teacher.

I favor higher test scores and a reduction in spending while providing a safe learning environment.

CLIFFORD E. BREEDEN, JR.

OCCUPATION: Criminal Investigator

For the last four years, I have had the privilege of serving you and the children of the Magnolia School District as an elected School Board Trustee. I am endorsed by the Magnolia teachers.

My wife and I have two children, one is a graduate of the District and the other is currently a sixth grader. This gives me a vested interest in the education of our students.

During my time on the board, we have advocated back to basics; reading, writing, and arithmetic. Passage of our modernization bond has allowed the District to upgrade and improve our schools. I felt a need for an increase of the arts at the elementary level, both visual and performing. In the last four years, we have added another music teacher and started a great after school music program. I strongly supported standards based instruction and the class size reduction in grades K-4th. The establishment of the extended day kindergarten program in all of our schools, will give our children a better start.

I am proud of our accomplishments and ask for your continued support. Thank you.

BARBARA QUINTANA

OCCUPATION: Retired School District Employee

My name is Barbara Quintana and I am seeking your vote for the Magnolia School District Governing Board.

My husband Ray and I have resided in this community for 35 years, where our three children all attended Pyles Elementary School.

I have actively fulfilled many different roles in our community and schools: serving on numerous school committees, community organizations, sports programs, Special Olympics and the Anaheim Boys and Girls Club Board of Directors.

I have spent 35 years in Magnolia School District, 7 years as a parent volunteer and 28 years as a paid employee working in the classrooms at various schools within the district.

Being in the classroom thousands of students have touched my life. I am committed to giving back what I have received from these students. My entire career has been in education. I pledge my dedication to this community and seek this position to provide the very best education possible to our children.

Our children are our greatest resource! With your support, we can and will make a difference. My goal is to help make Magnolia School District a standout in Orange County.

A vote for Barbara Quintana is a vote for our children.

ESTHER H. WALLACE

OCCUPATION: Governing Board Member, Magnolia School District

Quality education is important to me. I have lived in West Anaheim for 42 years. As a parent of seven children (all college graduates) educated in the Magnolia School District and a secondary teacher of science and math for 19 years, I am interested in today's children in the Magnolia School District receiving the same quality education.

During my 22 years on the school board I have supported good reading, math and science programs, reading specialists, music teachers and high-tech equipment programs. Our district is continually refining our reading, language arts and math curriculums. We recently changed our kindergarten program to a full day.

Our community gave a 74% vote in approving the 2000 bond issue for modernization of schools. Magnolia School District is fiscally sound.

I was an active parent with my children in PTA, sports, scouts and booster clubs. Now retired I am:

Chairman of WAND (West Anaheim Neighborhood Development Council)

Anaheim Beautiful past president and Board of Directors

Parks and Recreation Commissioner

Community Services Commissioner.

Good communities need good schools and good schools need a quality community. I am committed to keeping Magnolia School District a great place to educate children. I would appreciate your vote.

**MAGNOLIA SCHOOL DISTRICT
GOVERNING BOARD MEMBER**

PHILLIP TUFUI WOLFGRAMM

OCCUPATION: Appointed Governing Board Member, Magnolia School District

My educational philosophy is, first, that the primary responsibility for ensuring that our children receive the best possible education rests with us, the parents. Second, that we entrust schools to help us educate our children. And third, that our children develop the learning habits that will carry them through their lives during their elementary school years.

Thirty years ago, my family and I emigrated from the Pacific Islands. I was seven years old at the time and spoke no English. I attended public schools, graduating from San Diego State University. I am a controller for a local hotel.

Having started elementary school as a second grader with no English skills, I have insights into the experiences, and challenges of non-English speaking families in the district. With two of our four children attending the district, I have a vested interest in how the district is doing.

Thus, as a board member, I will support those programs that efficiently use district resources. I will support those policies that value open communication with parents, and parent involvement. Finally, I will continue to support programs that develop character, that foster a love of learning, and that engenders respect for others.

**CITY OF GARDEN GROVE

BRUCE A. BROADWATER **AGE: 63**
OCCUPATION: Mayor/ Deputy Labor Commissioner

Public Safety is Garden Grove's highest priority. In the last two years we have implemented the Police Department's Strategic Plan to add 8 more police officers to our streets. While I've been your Mayor, crime has dropped over 50%. Recently we passed a strict Cybercafe ordinance to crack down on gangs wherever they may go. Our Fire Department is one of the most modern and best equipped in the State. In the last two years we've added 4 automatic external defibrillators that can save crucial seconds in restarting a stopped heart. We've purchased 2 new pumpers (fire engines), and equipped our fire fighters with infrared systems to see through smoke.

Protecting your property values is also a high priority. During my tenure, our property values have increased by over 50%. Our residents now take pride in living in Garden Grove!

As Peggy and I celebrate our 32nd year in Garden Grove. I am proud of our city's many positive changes and my role in making them happen. These changes include:

Expansion of the Garden Grove Higher Education Center;

A thriving Auto Mall on Trask Avenue;

Sound Walls on the 22 Freeway, one year ahead of schedule;

Cleanup of the Chapman and Valley View corner;

Seven new Hotels, a Restaurant Row, and the creation of a Garden Grove Conference Center;

613 new homes replacing empty lots and dilapidated commercial properties;

The creation of 1000 new jobs, many at above average wages;

There's also been a change in the quality of City Services and the level of Community Involvement during my term as Mayor. For example:

More residents are volunteering in the community than ever before.

We've implemented and improved Community Policing. Good Housekeeping Magazine recognized us as "...one of the best suburban police departments in America".

City Employees provide friendly and high quality Customer Service. Recently we lowered the fees charged to residents for services.

We created a Community Foundation that provides "Renaissance Garden Grove" concerts and events for our families.

We opened the Family Resource Center at Magnolia Park to provide after-school programs, parenting information, and other services.

As your Mayor, I have improved City Services, improved the overall appearance of our community, created a stable financial future, and improved our City's image.

With your help, I can do even more. A vote for me is a vote for continued progress and prosperity. Together, let's make our community's future even brighter.

JOSEPH PAK

AGE: 50

OCCUPATION: Community Relations Director

Vote to improve your quality of life: Vote Joseph Pak for City Council.

I believe in public service. America and our City have been good to me and my family. To me, nothing is more noble than helping others. I want to serve as your councilman and work hard to make Garden Grove a great place to live, work and raise a family. I want to use my talent and commitment to keep our neighborhoods safe, promote a strong economy, and improve our schools.

Thirty-two years ago, I immigrated to America. I worked hard to support my family and make my contribution to our community. I have worked for Pacific Bell for 24 years and am currently the Director of External Affairs. I graduated from USC and earned an MBA degree at the University of Phoenix.

Giving back to our community, through public service, is my way to thank America for all the opportunity she has given me. I am currently serving my second year as a member at California State Rehabilitation Council and serving as a member of the Special Needs Advisory Committee of the OCTA. Since education is important to me, it gives me great satisfaction to serve the Coastline Community College Foundation. As a businessman, I also serve as a board member for the Garden Grove Chamber of Commerce.

My wife and I recently celebrated our 24-year anniversary and remain active in our church. We have three grown children, daughters Sabrina, Jessica and youngest son, Gregory. I am a member of the Garden Grove Rotary Club, Sister City Association of Garden Grove, and associate board at Acacia Adult Day Services. I also serve as an Advisor to the Orange County Office on Aging and the Korean Chamber of Commerce.

As your councilman, I want to build consensus around important issues and help address pressing challenges. I will:

Ensure your safety by supporting our police, fire, and public works departments;

Promote your property investment by fixing our roads and beautifying our neighborhoods;

Support youth and older citizen projects;

Protect residents through monitoring and implementing traffic safety;

Protect residents by strictly enforcing noise ordinances;

Support businesses that will bring needed revenue to our city,

Control expenses, and increase reserves;

Establish office hours so you will always have access to your city council.

CHRIS PREVATT

AGE: 41

OCCUPATION: Health Services Planner

I believe it is not enough to create laws that pretend to combat gang violence and crime. We must enforce our laws and address our gang problems. The incumbents believe the answer to fighting crime is writing laws that do nothing to fight crime.

We need additional officers in our gang suppression unit, and more funding for youth programs. Cops belong on our streets not on the City Council. To fight gang violence we need programs for our youth that provide positive opportunities.

Redevelopment is the best way to ensure the prosperity of Garden Grove. A common sense approach to redevelopment planning is needed. The jobs we create must pay quality wages and benefits when we pay the bill for new business development. The Council decided that only commercial property should be added to redevelopment and they believe apartments don't count as homes. True leaders base decisions on fact not political convenience.

As a Sanitary District Commissioner, I know how things work in Garden Grove and I know I can make a difference. Together, we can bring common sense leadership to Garden Grove and continue on the road of Progress and Prosperity.

WILLIAM "BILL" DALTON

AGE: 59

OCCUPATION: Councilman/Retired Policeman

My wife Sandy and I have lived in Garden Grove for 35 years. We have raised our six children here and have been active in our schools, church and community. Our children and grandchildren live in Garden Grove. I love our City and want to help make this the best and safest place for all our residents - for you, for your children, for your grandchildren.

I served as a police officer in Garden Grove for more than 25 years, earning numerous awards and citations, including the Medal of Valor, the highest award given to a police officer. I worked my way up through the ranks from a reserve officer to Lieutenant. I was personally involved in the implementation of community policing which dramatically reduced crime in our city.

When you elected me to the City Council in 1998, I retired as a Garden Grove Police Lieutenant in order to devote my energy to making our City a better and safer place. I have represented you to the best of my ability, and now I seek your vote to continue to serve on the City Council.

There are many issues facing Garden Grove today:

The people, not special interests, should be our first priority
We must listen and respond to the citizens of Garden Grove
We must protect and serve our community
Redevelopment efforts must benefit the people, not just the developers

I want to put the people back in politics. I worked to restore public comments to the televised portion of City Council meetings. I want to restore public involvement in the budget process. I want to strengthen respect for our public safety personnel.

Our children should be safe while in their own front yards. Our teenagers should be safe when visiting a cyber-café. Our senior citizens should enjoy their retirement in comfort and security. The role of government is to protect and serve our community.

We need Responsible Redevelopment. I oppose the use of eminent domain to take away people's homes to build an amusement park or similar ventures. Ask the question, "If we redevelop an area or build more hotels, is there an immediate benefit to the residents of Garden Grove?" If the answer is no, then it is not responsible redevelopment.

My web site is www.billdalton2002.com. My home phone number is (714) 539-1592. I welcome your questions and comments - and your vote.

**CITY OF GARDEN GROVE
MEMBER OF THE CITY COUNCIL**

MARK LEYES

AGE: 44

OCCUPATION: Garden Grove City Councilmember

As your City Councilman, I am honored to represent the values of our families and community.

I am a lifelong Garden Grove resident. My wife Wanda and I are homeowners and active in our church and neighborhood.

Since you first elected me, I am proud of these and other accomplishments:

The Crime Rate has dropped more than 50% over the last decade. Under my leadership, we implemented "Community Policing," a Gang Suppression Unit, and a Strategic Plan to add Police Officers in our neighborhoods and schools.

I have balanced the budget every year, kept us out of the County bankruptcy, and ensured that public money is invested in safe and insured accounts.

I stood up against a plan to subject hundreds of homes to Eminent Domain. We must protect our neighborhoods and quality of life.

I stopped the Utility Tax. I opposed property tax and sales tax increases.

Provided jobs and tax revenue with new restaurants, businesses, and hotels.

New soundwalls and synchronized traffic signals to reduce traffic noise and congestion.

I led a crackdown on Cyber Cafes when two youths were brutally murdered. Our ordinance is now a model for other cities.

I am endorsed by Orange County Sheriff Mike Carona, in recognition of my record on fighting crime. Sheriff Carona and I share a commitment to protecting our children by tracking down and prosecuting violent predators.

We must not take for granted the strides we have made. When I am re-elected I will:

Protect Proposition 13 by fighting against new and higher taxes and keeping City Hall accountable to taxpayers.

Work to keep neighborhoods and schools safe from Gangs, graffiti and violent criminals.

Fight to preserve residential neighborhoods and protect property values.

I attended Garden Grove public schools. I earned my Bachelors and Masters degrees from California State University, Fullerton, I have been a Boy Scout troop leader, a founding member of the Garden Grove Community Foundation, and a member of the Garden Grove Historical Society.

Thank you for the honor to serve as your City Councilman. I ask for your continued support so I can fight to protect our neighborhoods and schools, keep taxes low, and keep our local economy growing.

Thank you for your vote for Mark Leyes for City Council.

**ORANGE COUNTY WATER DISTRICT
DIRECTOR, DIVISION 1**

JOHN BANKSON

AGE: 51

OCCUPATION: City Commissioner

The Division 1 incumbent has occupied a seat on the Orange County Water District for more than two decades. It is high time we infused new blood into an agency responsible for providing a plentiful supply of clean water to Orange County families.

When career politicians become entrenched in government agencies, it leads to complacency, and sometimes corruption. Orange Countians deserve fresh, vigorous watchdogs for ratepayers, not go-along, get-along careerists who rubber-stamp for OCWD bureaucrats.

For example, during my opponent's long OCWD board career, directors' pay has jumped more than 200% per meeting. Clearly, we need a change.

I am a project manager with an engineering degree, and oversee multi-million dollar construction projects. I am a 30-year resident of Garden Grove, and as a city commissioner work to protect property values and keep streets safe for our children.

If elected, I promise to:

Fight to bring term limits to OCWD

Work to ensure OCWD water exceeds water quality standards and is available at the lowest possible rate

Manage District assets according to the long-term interests of the owners
- - the ratepayers.

I will represent district ratepayers, not district bureaucrats. Please vote John Bankson for OCWD on November 5, 2002.

**MUNICIPAL WATER DISTRICT OF ORANGE COUNTY
DIRECTOR, DIVISION 2**

LARRY DICK

OCCUPATION: Director, Municipal Water District of Orange
County

It is critical that Southern California maintains a dependable, high-quality, economical water supply. As your elected representative on the Municipal Water District of Orange County (MWDOC), my top priority will be to protect our water sources.

Our precious Colorado River water supply is threatened by growing demands from Nevada, Colorado and Arizona. Likewise, our water supply from Northern California has been targeted by agricultural interests and politicians eager to stop the flow of water to Southern California and Orange County.

Even our local water supply is threatened by growing urban runoff pollution that damages our creeks, rivers, beaches and ocean. As your representative on MWDOC, I have the experience, ability and desire to help protect our water supply from these challenges.

I have worked to defend your water interests on the Association of California Water Agencies, as Vice President of the Independent Special Districts of Orange County and on the Water Advisory Committee. My community activities include the Chamber of Commerce, Rotary, Elks, and American Legion.

A reliable supply of water is critical for the future of Orange County. I request your support to continue to protect and preserve this precious resource for our community.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE A**

The proposed ordinance would repeal the existing Orange County Campaign Reform Ordinance, and reenact it with certain changes. The significant changes are indicated in *italic type* below.

The proposed ordinance would prohibit campaign contributions for County office in excess of \$1,000 for each of the following elections: primary, general, special, or recall. The same limits would be imposed on contributions to persons or committees that make specified independent expenditures in County elections.

In applying the \$1,000 limit, the following contributions would be added together: a sponsored committee and its sponsor; a corporation and an individual who owns a specified controlling interest in the corporation; a partnership and an individual who owns a specified interest in the partnership; entities that share a majority of directors, or multiple officers, or are owned by the same majority shareholder(s), or are parent and subsidiary; *a business entity and an individual connected with that entity who participates in a decision by the entity to make a contribution*; and in most cases, contributions of minors and their parents or guardians. *Contributions of spouses would not be added together. A husband and wife could each contribute \$1,000. A campaign contributor would be required to disclose to the candidate or committee any other contributions made under a different name that are required to be aggregated with the current contribution.*

A County candidate or officeholder could have only one campaign committee and one campaign bank account from which expenditures can be made. There could be no interlocking committees.

Different candidates could not transfer funds between themselves and their committees. *However, a single candidate could transfer funds between his or her own accounts, subject to the contribution limit of \$1,000 per person per election.*

Late independent expenditures would have to be reported to all County candidates running for the office to which the independent expenditure relates. Candidates would be required to file a post-election Campaign Statement within 15 days of an election, and to file required amendments to Campaign Statements by a specified deadline.

The proposed ordinance would prohibit solicitation or receipt of contributions by county officials and employees from persons who have proceedings before those officials or employees. *It would require the Registrar of Voters to provide County candidates and officeholders with a copy of the Campaign Reform Ordinance.*

Violations of the ordinance would be subject to misdemeanor prosecution and civil actions for specified penalties and injunctive relief. *In addition, the Board of Supervisors could establish an administrative procedure for the resolution of alleged violations and the collection of specified penalties.*

The ordinance could be repealed or amended only by a majority vote of the County electorate, except that the Board of Supervisors could impose additional requirements. *The Board of Supervisors would no longer have the power to adjust the contribution limitations for changes in the consumer price index.*

The above statement is an impartial analysis of Measure A. If you desire a copy of the Measure, please call the Registrar of Voters office at (714) 567-7600 and a copy will be mailed at no cost to you.

ARGUMENT IN FAVOR OF MEASURE A

Measure A is a revision to the County's Campaign Reform Ordinance, also known as the TIN CUP ordinance initially enacted in 1978.

Measure A WILL NOT change the current contribution limit of \$1000 per person per election. It will, however, prohibit the Board of Supervisors from increasing the contribution limit in the future without voter approval.

TIN CUP is the most successful local campaign contribution ordinance in the State of California. The law works so well, you never hear any complaint about it. However, experience and recent court decisions have made it necessary to make revisions in order to improve its effectiveness and enforceability. The areas of improvement consist of preventing evasion of the contribution limit by State Mailer Organizations and other entities making independent expenditures.

The reporting requirements are also being increased. For the first time, candidates running in an election will be required to file a timely post-election campaign statement disclosing campaign contributions and expenditures made just before and just after election day.

Voters throughout the county and the state have consistently supported contribution limits. Runaway election costs have been deterred by limiting contributions from individuals, businesses, political action committees, and other third parties. The limit has been particularly beneficial to those entities seeking contracts, permits and project approvals with the County because they are no longer subject to requests for **unlimited** campaign donations. It has also caused candidates running for County office to broaden their financial base by seeking more, but smaller, contributions from their constituents, which gives the general public a bigger voice in the election of county officials.

Measure A is the best means we have to minimize the influence of large campaign contributions on decisions made by our elected officials.

We urge every voter to vote YES on Measure A.

**COUNTY OF ORANGE
IMPARTIAL ANALYSIS BY COUNTY COUNSEL
MEASURE B**

This measure asks the voters to advise the County Board of Supervisors whether the Board should demand from the Department of the Navy as the present owner of the real property formerly operated as Marine Corps Air Station (MCAS), El Toro, that, prior to transfer of ownership or sale of the former Marine Corps Air Station at El Toro, the Department of the Navy:

1. Provide a complete and thorough study of the toxic contamination found or expected to be found at MCAS El Toro that addresses the inconsistent findings of the prior studies provided by the Department of the Navy, the County's GeoSyntec report, and the referenced City of Irvine study;
2. Provide funding to pay for remediation costs necessary for MCAS El Toro's intended use, including identification of funds to complete removal of all toxic contamination;
3. Identify funds to reimburse the community for any direct or consequential damages or costs the community incurs as a result of contamination; and
4. Complete the actual clean up and remediation of MCAS El Toro prior to its transfer or sale.

As an advisory measure, this measure would have no legal force or mandatory effect. If approved by the voters, the measure would advise the Board of Supervisors that the voters desire that the Board make the demands noted above. It would not require the Board of Supervisors to make the demands, or the Department of the Navy to comply with the demands, if made.

A yes vote indicates that the voter desires that the Board of Supervisors make the specified demands.

**FISCAL IMPACT STATEMENT
MEASURE B**

Fiscal Impact Statement Pursuant to Section 9160 of the Elections Code Regarding the Advisory Measure Concerning Clean Up of Toxic Contamination/Carcinogenic Pollutants and Public Health and Safety at MCAS, El Toro

Because this measure is advisory, it is not binding on the Board of Supervisors to make the demands it provides, nor does it require the Department of the Navy to comply with those demands, if made. Accordingly, there is no direct fiscal effect to the general fund of the County of Orange. However, if the demands were made and the Navy complied, the stream of property tax revenues that may occur due to development would be less subject to risk. Realization of these revenues could be postponed due to delays in the development resulting from the discovery of previously unknown contaminants. Neither the value of these potential tax revenues nor the likelihood of uncovering additional contaminants can be reasonably estimated at this time.

s/ David E. Sundstrom, CPA
Auditor-Controller

ARGUMENT IN FAVOR OF MEASURE B

Please support the Orange County referendum to encourage the Navy to not sell any of the closed and contaminated MCAS, El Toro until it clean of toxic waste and meanwhile create a self-supporting, self-cleaning, private-sector-economy stimulating, "Bren National Park" that included:

(1) a broad wildlife habitat corridor for the California mountain lion and its food chain... joining:

- (a) Chino Hills State Park,
- (b) Prado Dam Flood Basin,
- (c) Cleveland National Forest,
- (d) Don Bren 53,000 acre "nature preserves", and
- (e) Crystal Cove State Park

(2) a lease-paying, five-star luxury California Mission style destination-resort/lodge concession,

(3) a lease-paying university concession, e.g. managed by Fullerton Junior College,

(4) a lease-paying reasonable-international-nonintrusive-"V" configuration-airport (<http://www.ocxeltoro.com>) concession, e.g. managed by Los Angeles World Airports (LAWA) with its international airline treaties,

(5) subsidized low-cost housing and office-space/facilities for:

- (a) park rangers,
- (b) fire fighters,
- (c) university professors & staff
- (c) lodge and airport workers,
- (d) INS and Customs officers,
- (e) federal security inspectors,
- (f) air-cargo sorters/students,
- (g) US Postal Service workers,
- (h) low-paid airport/airline workers and
- (h) the Nature Conservancy managers of the 53,000 acre "Nature Preserve" created by Don Bren in combination with the Cleveland National Forest.

Lease payments from concessions can be split appropriately between the on-going federal Superfund clean-up and water-quality costs; low cost housing subsidies; MCAS, Tustin-Hanger, veteran-museum costs; and the Orange County General Fund for wild-fire protection and local community parks.

**FULL TEXT OF MEASURE N
CITY OF GARDEN GROVE**

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF GARDEN GROVE AMENDING THE HOTEL VISITORS TAX ESTABLISHED IN CHAPTER 3.12 OF TITLE 3 OF THE GARDEN GROVE MUNICIPAL CODE

The people of the City of Garden Grove hereby ordain as follows:

Section 1. Code Amendment

Hotel Visitors Tax. Municipal Code section 3.12.030(a) entitled "Tax Imposed" of Chapter 3.12 entitled "Hotel Visitors Tax" of Title 3 of the Municipal Code is hereby amended in its entirety to read as follows:

"3.13.030 Tax Imposed. (a) For the privilege of occupancy in any hotel or other transient lodgings as defined in this chapter, each transient is subject to and shall pay a tax in the amount of 13 percent of rent per day charged by the operator. The tax constitutes a debt owed by the transient and/or owner to the City, which is extinguished only by payment to the operator or to the City. The tax shall be paid to the operator of the hotel at the time the rent is paid."

ARGUMENT IN FAVOR OF MEASURE N

We urge you to vote YES on Measure N.

Measure N will provide badly needed funds for police, fire and other essential city services. Measure N authorizes an increase in the Hotel Visitor Tax by 3%. This increase will be paid for by tourists who stay in Garden Grove hotels... **not** Garden Grove residents.

Measure N will help ensure that the hotels pay their fair share for city services.

We have studied this issue and want to give you the facts about the Hotel Visitor Tax.

The Hotel Visitor Tax in Garden Grove provides essential funds to run city services. Garden Grove's public safety professionals support Measure N because it will provide nearly \$2 Million Dollars per year to the City of Garden Grove... money that will mean safer streets and greater security.

Garden Grove currently has a 10% Hotel Visitor Tax that each hotel visitor pays. This is added on to each hotel bill at the end of a tourist's stay. Almost every community in America has this tax.

Our Hotel Visitor Tax is currently 33% lower than Anaheim. Tourists staying in Anaheim pay a 15% visitor tax. Measure N will increase the Garden Grove Visitor Tax to 13%, still lower than neighboring Anaheim. Garden Grove's hotel operators have studied this issue and are firmly convinced that a 3% increase will not harm their businesses or tourism. We will still be competitively lower than Anaheim!

We must be ready to meet new challenges. These are difficult times for our country and our community. We need to make sure that our local government can respond in any emergency situation or crisis. Measure N will help keep Garden Grove ready to respond to any emergency situation.

REMEMBER, THIS TAX IS PAID FOR BY TOURISTS WHO USE OUR CITY SERVICES ... NOT GARDEN GROVE RESIDENTS.

WE URGE YOU TO VOTE YES ON MEASURE N

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE N

This measure would make Garden Grove's hotel and motel occupancy taxes one third higher than the average of the tax on the cities bordering Garden Grove, 62 1/2% higher than some.

Our councilmen have gone hog wild creating multimillion dollar debts by donating multimillion dollars to developers. Now they want such high taxes as to scare visitors away.

With the first hotel being built at Harbor and Chapman, Garden Grove hotel and motel bed taxes were raised from 6% to 8%. Later they went to 10%. How greedy can our councilmen get? Is the next step 20%? or 30%?

About \$15,000,000.00 per year of Garden Grove property taxes go to the redevelopment agency where most of it is donated to hotel developers instead of going to schools and for vital city and county expenses. Do our councilmen expect Measure N to make up for their squandering our property taxes?

If enough visitors would be foolish enough to pay such high taxes that the hotels do not go bankrupt, what would Garden Grove residents benefit? In the last six years the city's general fund revenue has increased about 50% but we still have about the same number of police and firefighters and our residential streets are on a 13 year schedule for resurfacing when they had been on a schedule of a slurry seal or asphalt overlay every 4 years.

Tax and fee increases in recent years have provided no benefits for the residents. This Measure will not benefit us. - We urge opposition to this 30% increase.

ARGUMENT AGAINST MEASURE N

Twice Garden Grove voters voted against increasing Garden Grove's hotel and motel bed taxes from the present 10% which is higher than the average of the cities bordering Garden Grove. Why would visitors pay 13% taxes when they can pay 8% or 9% in neighboring cities?

Although the voters twice said no, our greedy councilmen appear to have other intentions than to work for the benefit of the residents. Example: They recently added residential property to a redevelopment project area where it can be condemned by eminent domain, the residents required to move and the redevelopment agency receives more of Garden Grove property taxes where it cannot be used for citizen benefits.

Recent tax and fee increases haven't provided more police protection, fire protection or other citizen benefits. Actually some of our police officers have been assigned to patrol hotels built with multi-million dollar subsidies of Garden Grove tax dollars.

Garden Grove councilmen have heavily subsidized new hotels with Garden Grove property taxes gambling that Anaheim hotels cannot accomodate all of the Disneyland visitors. Haven't they noticed Anaheim adding hotels within walking distance of Disneyland? Do they think raising the hotel occupancy rate 30% will lure visitors?

How will the tax increase benefit Garden Grove residents? Money we pay for city water is now being used for other than supplying us with water. Money we pay for trash disposal gets used for other things. Property taxes had been paying for sewer services. We now pay sewer fees. What have we gained from the tax and fee increases? Not more police or fire protection nor more resident benefits. Even our streets get less maintenance. So why more tax increases?

What is gained from increasing the hotel occupancy taxes if it causes tourists to stay at hotels with lower taxes or at hotels within walking distance of Disneyland

REBUTTAL TO ARGUMENT AGAINST MEASURE N

We checked the facts and asked the experts. The arguments presented by the two individuals against Measure N are either misleading or flat out wrong.

#1. **Measure N will not hurt tourism.** The major Garden Grove Hotel owners have endorsed Measure N. They know their businesses will be helped, not hurt, by Measure N. In addition, the Garden Grove Chamber of Commerce twice previously endorsed hotel visitor tax increases. We trust that our hotel owners and business organizations know more about this issue than the two people who are against Measure N.

2. **All of the hotel visitors tax goes the city's Basic Funds, not to redevelopment;** and most of these Basic Funds go to public safety. We checked with Tony Andrade, Finance Director for the City of Garden Grove. Mr. Andrade stated on July 26, 2002 that "Visitor tax money is deposited in the Basic Funds, not redevelopment. It is also true that 68.3% of all the general fund in FY 2002-03 goes to public safety and related expenses."

3. **The self-described "taxfighter" who opposes Measure N never tells you his plan to pay for police, firefighters, and other public safety needs.** Where will the money come from? Does he plan to cut services? Does he plan to raise your taxes?

We trust the facts presented by Mr. Andrade, the Chamber of Commerce and the businesses directly affected by Measure N. A Yes vote on Measure N will responsibly address our City's Public Safety needs.
